Tim and Mary Sauerer, (34835 County Rd 10, Albany MN) have concerns about the addition of an implement dealership to the Fleet Store, which is located across County Road 10 from their residence. Mr. John Peternell the owner of the Fleet Store is setting up used machinery in the lot south of the Fleet Store. There is concern of having left over seed in the drills that could cause an infestation of varmits. They also do not appreciate having to look at old farm machinery.

At this time the parcel is zoned as commercial and all permits will need to be requested through the county. There have been no requests to have this annexed into the city. They were advised to contact Environmental Services or our local County Commissioner.
