LOCAL ROAD IMPROVEMENT PLAN GRANT

The Township is planning to rebuild and extend 251st St to connect the two County roads 39 and 157. At this time we do not have right-of-way from the property owners.

Engineer Mathison suggested we complete the grant paperwork and state at this time, we do not have right-of-way approval. This is acceptable for a grant of this size.

We will continue negotiations with the land owners and make a decision if we receive the grant.

ACTION: A motion to complete the grant paperwork stating we do not have right-of-way approval at this time was made by Supervisor Greer, seconded by Supervisor Rosen, motion carried, unanimously.
